

PRINT THIS COUPON AND PRESENT IT AT THE TIME OF SERVICE

HERE IS ALL THE SMALL PRINT:

This coupon is for residential air conditioning and heat pump systems only. It must be presented at the time of service. No cash value. This coupon is good for a minimum 3 lb (at least 99% of systems will be filled completely with this amount) recharge at \$56 per pound for either R22 or R410a refrigerant. This covers nearly every air conditioning system made for residential applications. Standard labor rates apply. This coupon does not guarantee that any leak will be found or repaired.
