

Gas Furnaces

Right for You

How can we say that Payne knows what's right for you? The answer is experience. D.W. Payne and sons started making the right products for their west coast customers back in 1914. Since that time, we've expanded nationwide with a brand that provides attractive, affordable products that work. These same principles apply to our family of gas furnaces. Because this solid lineup of comfort equipment carries the Payne name, you can be sure it's the right product at the right price.

Warm Up with Payne

Everybody needs time to relax, to rejuvenate their minds and bodies. So when harsh, winter conditions outside drive you inside, it's always great to know that you can warm up with Payne. With an affordable and reliable Payne gas furnace, you can look forward to the comfort of quiet operation, the economy of low utility bills and the freedom of minimal maintenance. Just set your thermostat, sit back and let Payne fill your home with warm, welcoming comfort.

**Model
PG9M**

The PG9M offers our highest efficiency, an impressive 92.1% AFUE (Annual Fuel Utilization Efficiency). Like miles-per-gallon for a car, AFUE ratings allow consumers to compare fuel efficiency of furnaces - the higher the number, the better the efficiency. This model enhances your comfort by drawing fresh outdoor combustion air into your home for diminished drafts and quieter operation.

The PG8M and PG8J (low NOx) deliver soothing comfort that's easy on the budget. These 80% AFUE furnaces easily save money on operation compared to older, less efficient models while delivering years of reliable performance backed by Payne.

No matter which model you choose, you can expect comfort and savings to continue for years because Payne products are designed, built and tested for long lasting operation.

Payne is the Right Choice

Payne offers the right products at the right price, offering dependable, comfortable and efficient comfort season after season. So make the decision easy on yourself - choose Payne. When you do, you're choosing a long-standing history of indoor comfort products that are just right for you.

Our Warranty

The models PG9M and PG8M are covered by a 10-year parts limited warranty. Warranty applies to original owner of properly registered product.* Visit payne.com for details.

*Warranty period is 5-years if not registered within 90-days. Jurisdictions where warranty restrictions are not allowed will automatically receive a 10-year parts warranty. See warranty certificate at payne.com for complete details.

What You Get With Payne

- 1 Efficient, Lasting Comfort**
Payne's four-pass heat exchanger ensures high-efficiency heating. This key component is built to last and backed by a twenty-year limited warranty.
- 2 Smooth Operation**
You can relax in quiet comfort thanks to a soft mounted inducer motor which minimizes noisy vibrations.
- 3 Quiet, Reliable Start-up**
A slow-opening gas valve quietly starts the heating cycle so you can enjoy the warm comfort of your home without distractions.
- 4 Money-Saving Efficiency**
Payne hot surface ignition improves the efficiency of furnace start-up and operation by eliminating the standing pilot light.
- 5 Attractive Finish**
The pre-painted, scratch-resistant cabinet resists corrosion for long-lasting good looks.
- 6 Precise Comfort Control**
You can count on accurate furnace control and performance with our reliable electronic control board that monitors furnace operation.

Easy Maintenance

Cleaning or changing the furnace filter regularly will greatly reduce the need for required maintenance of the system.

PG8M

Your Total Comfort Connection with Payne

Air Conditioner and Gas Furnace System

An energy-efficient Payne furnace provides welcome warmth during winter's blustery chill. Add a Payne central air conditioner and properly matched evaporator coil and you can count on cool, soothing relief from summer's heat as well. It's a total system solution for indoor comfort you can count on all year long.

Install Now, Pay Later with Payne Financing

If you're like many people, your need for comfort doesn't always match your immediate ability to pay for it. So Payne makes your life easier with 6 or 12 months of deferred interest, minimum monthly payment financing. If you pay it off within the promotional period, you pay no interest. Or, spread your payments over time with a reasonable finance charge. Either way, you can enjoy comfort now, when you need it. Credit provided by GE Money. For more details or to apply for Payne financing to receive pre-approval, go to www.Payne.com.
